## AMERICAN HOLLY (*Ilex Opaca*)

---

### POTTED HOLLIES:

Shipped with the pots polyethelene bagged or wrapped. Packed in individual cartons for parcel post shipment. Packed in wooden boxes (hand-made) for Express shipment. Individually labeled with plastic variety markers.

4-10" yearlings, in 4" Mennepots—\$2.00 each POSTPAID. (5 or more @ 1.50 each, plus shipping charges, rail Express). When available in season, berried, 25c extra per each. Most all varieties listed in our catalog are available.

6-18" Two year olds, in 8" Mennepots—\$3.75 each, POSTPAID. (5 or more @ 2.75 each, plus shipping charges, rail Express). Old Heavy Berry, Old Faithful, Perfection females; male Pollenators. No other varieties currently available in this size until Fall 1956.

### WIRE BASKETED HOLLIES:

Shipped completely enclosed in a wire cage which should be removed from the top of the Holly when planting. The bottom wire basket may be planted basket and all, thus avoiding disturbance of the roots. Protective paper and burlap should be removed from the bottom before planting. Individually tagged with durable variety labels.

12-18" Three year olds, branched, in 12" dia. wire baskets. \$5.25 each, plus shipping charges, rail Express. Varieties Old Heavy Berry, Elfin, Pistillata females; male Pollenators. No other varieties currently available in this size.

18-24" Four year olds, well branched, in 12" dia. wire baskets. \$6.50 each, plus shipping charges, rail Express. Varieties Old Heavy Berry, Sunset Glow, Jekyll, Cupleaf, Birdsnest, Podocarpa, Pistillata females. No males currently available in this size (use 12-18" \$5.25 size). A few well berried females are available each season in this size, 75c extra.

18-24" Five year olds (some are larger) that have been pruned to gain a dense bushy shape. In 12" dia. wire baskets. \$7.50 each, plus shipping charges, rail Express. Old Faithful variety female, and a very few each of several other female varieties. No males currently available in this size (use 12-18" \$5.25 size).

30-36" Ten year olds. Bushy, well berried in season, in large 16-18" dia. wire baskets. \$30.00 each, plus shipping charges, rail Express. Judge Brown, Pistillata female varieties. No males currently available in this size. (Use 12-18" \$5.25 male size). No other females currently available in this size.

### **LARGE SPECIMEN HOLLIES:**

We herein list only those large Hollies which are finished specimens of Exhibition grade, representative specimens having been exhibited many years at the Philadelphia Flower Show, drawing first prize for Hollies each year to date. We are well equipped to deliver and plant these large Hollies. Our foreman has worked with Holly for thirty odd years and is adept at planting. Our delivery and planting charges are moderate and will gladly be quoted on request.

- 5- 6' Special specimens of Cardinal and Old Heavy Berry female varieties, dense, compact, loaded with berries in season. Really magnificent trees. Balled, platformed, and including leafmold and tobacco needed for planting, these are @ 150.00 per each, FOB. (Approximately 1500 lbs. each).
- 5- 6' 20-30 yr. old multiple stem Hollies. These were created from single stem trees which were cut to the ground when about six feet high, causing a multiple stem bush to sprout from the ground. Very heavily berried in season with broad dense shapes. Balled, platformed and including leafmold and tobacco needed for planting, these are @ 150.00 each. Weight about 2000 lbs. each. Also available in male.
- 12-16' Specimens, magnificent dense bushy trees, intensely sheared with branch spreads of six to nine feet, unbelievably showy. Weight 6-10,000 lbs. each, balled, platformed and including leafmold and tobacco for planting. Males 250.00 each, FOB, Females 250-500.00 each, FOB.

**OAK LEAFMOLD** (to plant Hollies in; see our booklet directions). Approx. 65 lb. bags containing over a bushel: \$1.50 per bag; \$37.50 per ton, plus shipping charges, rail freight only.

**TOBACCO STEMS** (chopped). (To feed Hollies with as top mulch; see booklet directions). Approx. 25 lb. bags containing over a bushel @ \$1.50 per bag; (25 or more bags @ \$1.00 per bag, plus shipping charges); We recommend purchase of no less than four bags at a time due to the freight minimum charge on 100 lbs., which causes the shipping charge to be identical on one to four bags of tobacco.
